

The Trek Trails Homecoming Twist and Tango

Who: All League Athletes (Middle Schoolers Included)

What: A fun end of season homecoming dance with music and lights

Where: Trek Trails in Waterloo Wisconsin

When: Saturday, October 20th from 8-9:30pm

Contribution: Every team bring a contribution of decorations (flowers, balloons, glow sticks...), after dinner snacks, or beverages

How: We ask that athletes get creative with their outfits. No costumes, but wear semi-formal clothing from your parents closet, previous dances, or a resale shop. No need to go out and purchase a whole new outfit. If athletes choose to bring a "date", they can try to coordinate outfits.

Details/Other info: All athletes will meet before the dance for group and "date" pictures. Remember:

- The dance is outside, so dress appropriately for weather
 - Asking people is totally allowed so feel free to ask other teammates or athletes from other teams
 - Help for set-up would be appreciated before the pre-ride begins (around 12-12:30)
 - There will be time to get ready for the dance after the pre-ride and before the outdoor movie (5:00-6:45pm)
